WHO'S WHO

PERSONALITIES

Miss Smiley

Ann Genett's beauty alone did not win her the honor of being named Miss Smiley. Ann is a very attractive girl, it is true, but her personality, scholastic ability, participation, and ambitions have made her Smiley's most popular Miss.

Mr. Smiley

The same qualities which made Miss Smiley, contribute to the personality of Ebbie Owens, Mr. Smiley. His winning smile and warm sincerity in all his endeavors have won honor for him at Smiley High School.

LADY GRETCHEN, from the house of PAUL, reigned proudly as the 1962-63 HOMECOMING QUEEN of Smiley High School. The homecoming game was played November 2, with the opposing team, South Houston High School defeating the Eagles 34 to 0.

Queen Gretchen sits with her Royal Court. Lady in Waiting, Linda Weems, her escort, Jamie Hudman; Princess Barbara Collingsworth, her escort, Ray Hendon; Duchess Cheryl Barlow, her escort, Dennis Pratt.

Not Beauty and the Beast, just Most Beautiful, Delores Dimick, and Most Handsome, John Free, from the senior class.

These students maintain good grade averages, promote good will, participate in many activities, and show school spirit. Therefore, they were chosen BEST ALL AROUND of the senior class.

These kids have "Personality Plus." (Personality plus happiness, because they were just elected Mr. and Miss Personality of the Senior Class.)

Barry Martin

Pat Fogle

Not quite as classy as the characters at the bottom of this page, but the students above were chosen Best Dressed of the Senior Class.

Genevieve Anderson

and

Ronnie Smith

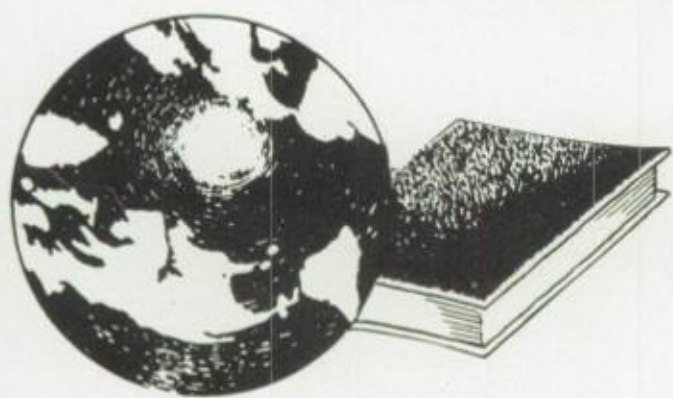

SENIOR WITTIEST BOY AND GIRL
DON HILL MARY WATSON

"But, you said you had a T-Bird!!"

"Hey, Don, couldn't you come up with a car at least as good as this one?"

Because of capabilities and high standards, past achievements and future ambitions, these students were chosen Most Likely to Succeed.

Robert Cason

Marsha Gordon

It is evident that the members of the Junior Class had perfect vision when they elected this couple as Most Beautiful and Most Handsome: Kaye Campbell and Roy Leek.

JUNIORS

Douglas Anderson—MR. PERSONALITY.
Makes friends easily and certainly fits the
title.

Donna Shaw—MISS PERSONALITY.
Not only blonde and pretty, her disposition
is tops.

Gary Willeford and Linda Park may not dress in Royal Robes, but the Junior Class felt that they were neat and well-groomed enough to be elected as The Best-Dressed Boy and Girl.

Wit is a virtue? In this case, the point is debatable, but these two are always good for a few laughs. That's why they are "Wittiest" of the Junior Class.

Peggy Jones and Jerry Watson.

All of Smiley's beauties are not in just the Junior and Senior classes. Sophomore, Carol Mott, is living proof of this. Johnny Freeman's good looks also match that of the guys in the other classes. They are seen here as Most Beautiful and Most Handsome Sophomores.

If photographs bring out personality, this shot should be full of it. Mr. Personality, Ted Keeling, tries his luck at amateur photography. His pert and pretty subject is Miss Personality, Penny Sargent.

Any way you look at it, front, back, or side, these students are best all around of the Sophomore Class. Jeanenne Krustchinsky and Mike Stamps.

Mike
Caswell

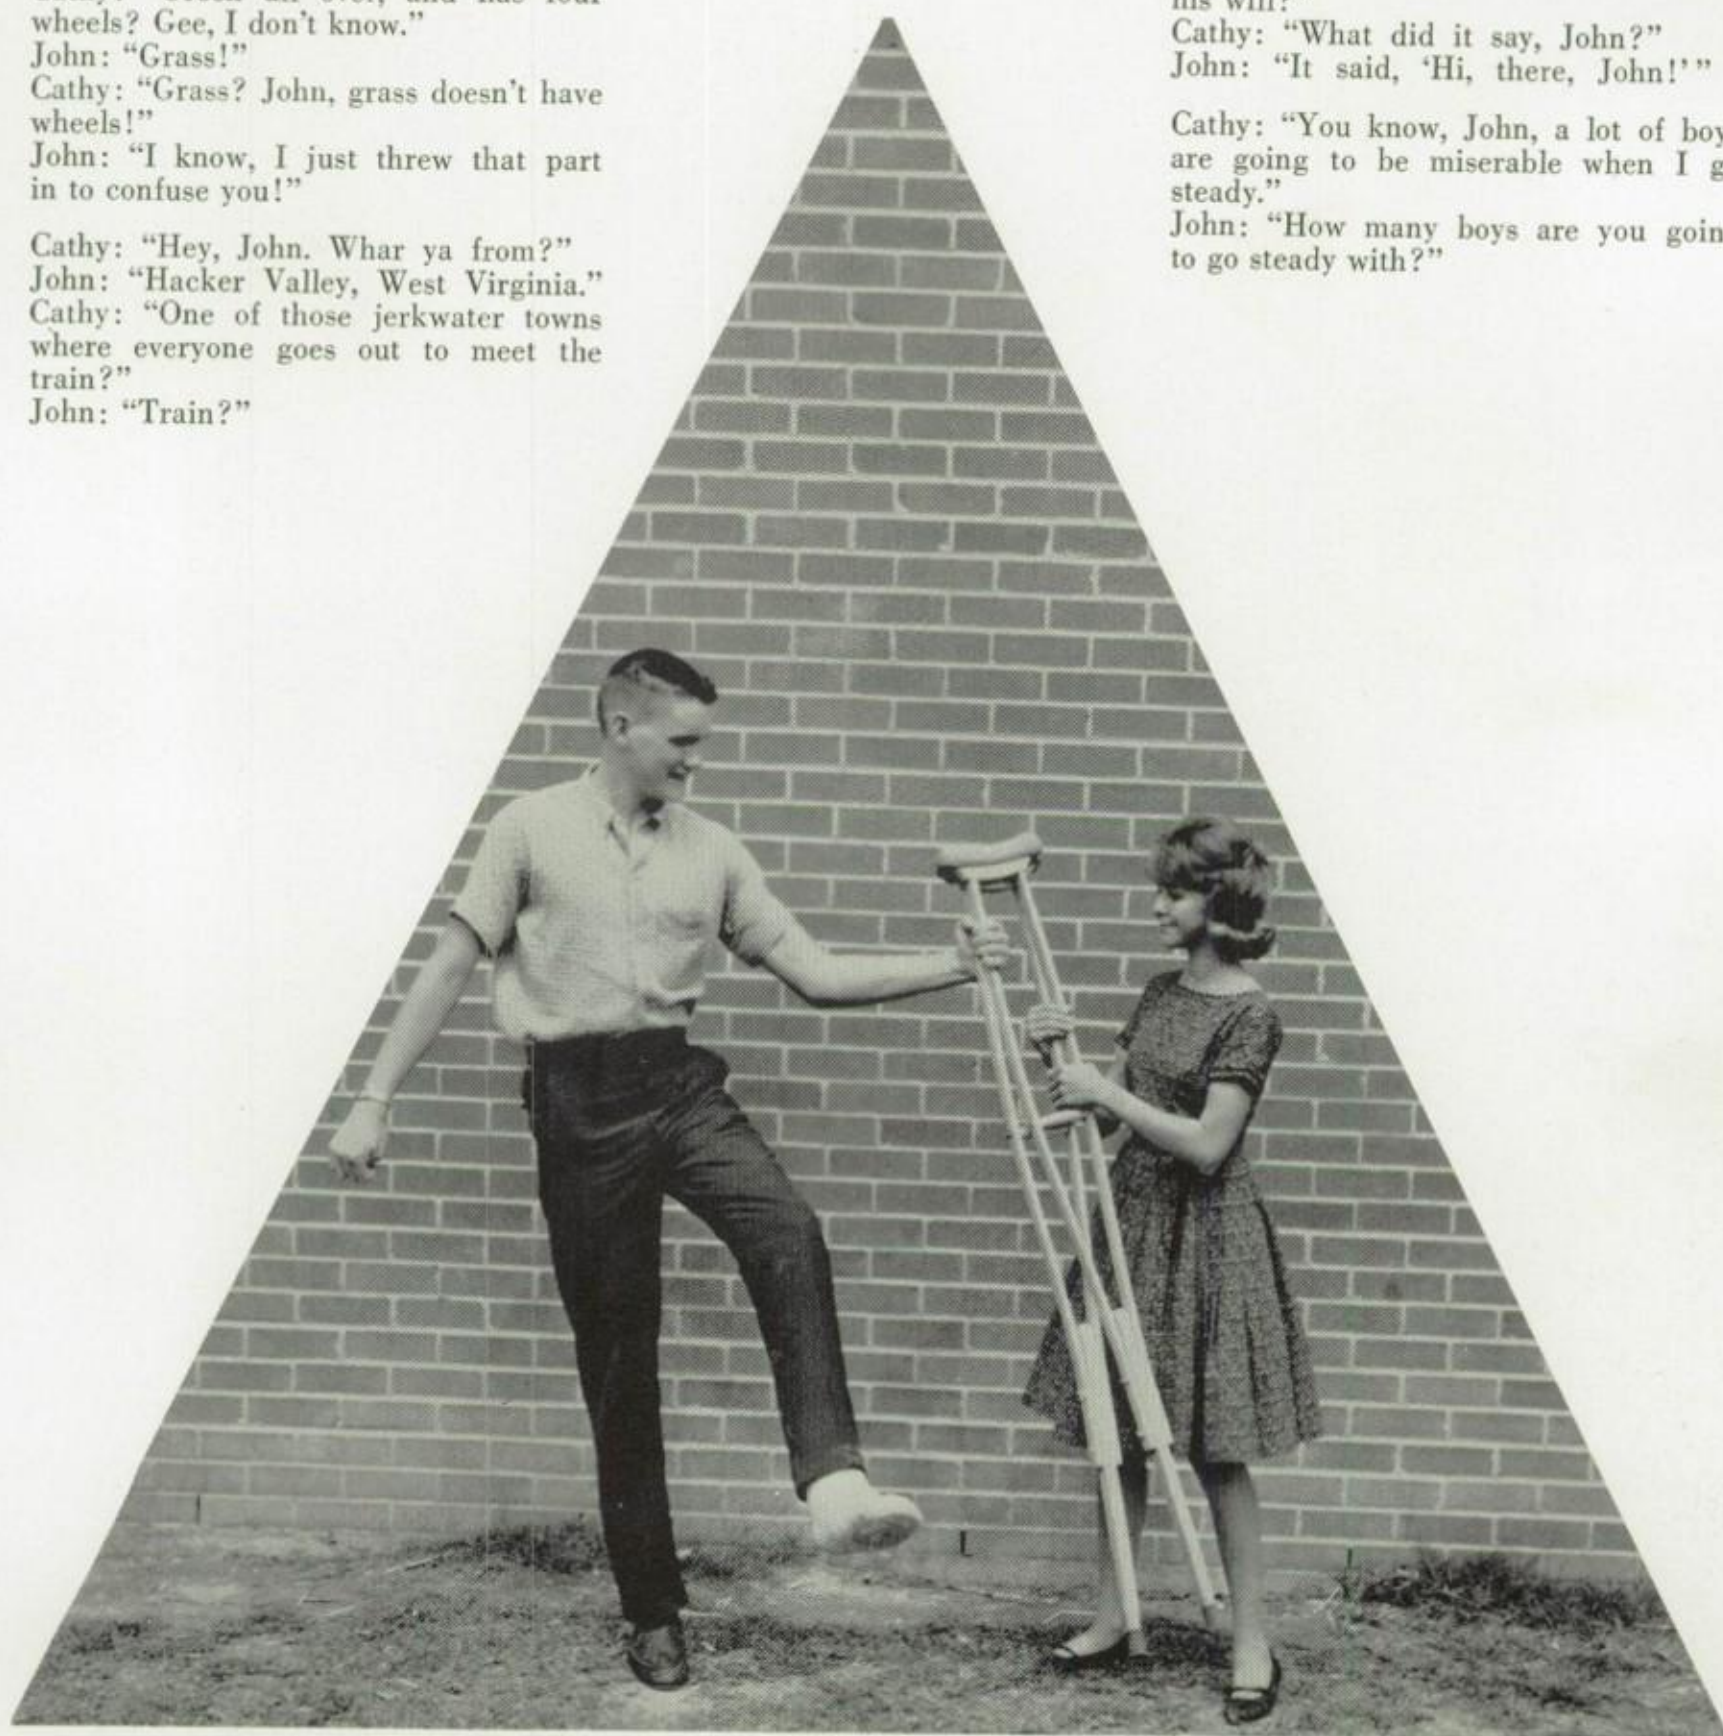

Margaret
Graves

From rags to riches, whatever these kids wear, they are well groomed and neat, and were elected Best Dressed of the Sophomore class.

John: "Hey, Cathy."
 Cathy: "Yes, John?"
 John: "What's green all over and has four wheels?"
 Cathy: "Green all over, and has four wheels? Gee, I don't know."
 John: "Grass!"
 Cathy: "Grass? John, grass doesn't have wheels!"
 John: "I know, I just threw that part in to confuse you!"
 Cathy: "Hey, John. Whar ya from?"
 John: "Hacker Valley, West Virginia."
 Cathy: "One of those jerkwater towns where everyone goes out to meet the train?"
 John: "Train?"

John: "Hey, Cathy. My wealthy uncle told me that when he died, I would be remembered in his will. The other day, he died, and guess what it said in his will?"
 Cathy: "What did it say, John?"
 John: "It said, 'Hi, there, John!'"
 Cathy: "You know, John, a lot of boys are going to be miserable when I go steady."
 John: "How many boys are you going to go steady with?"

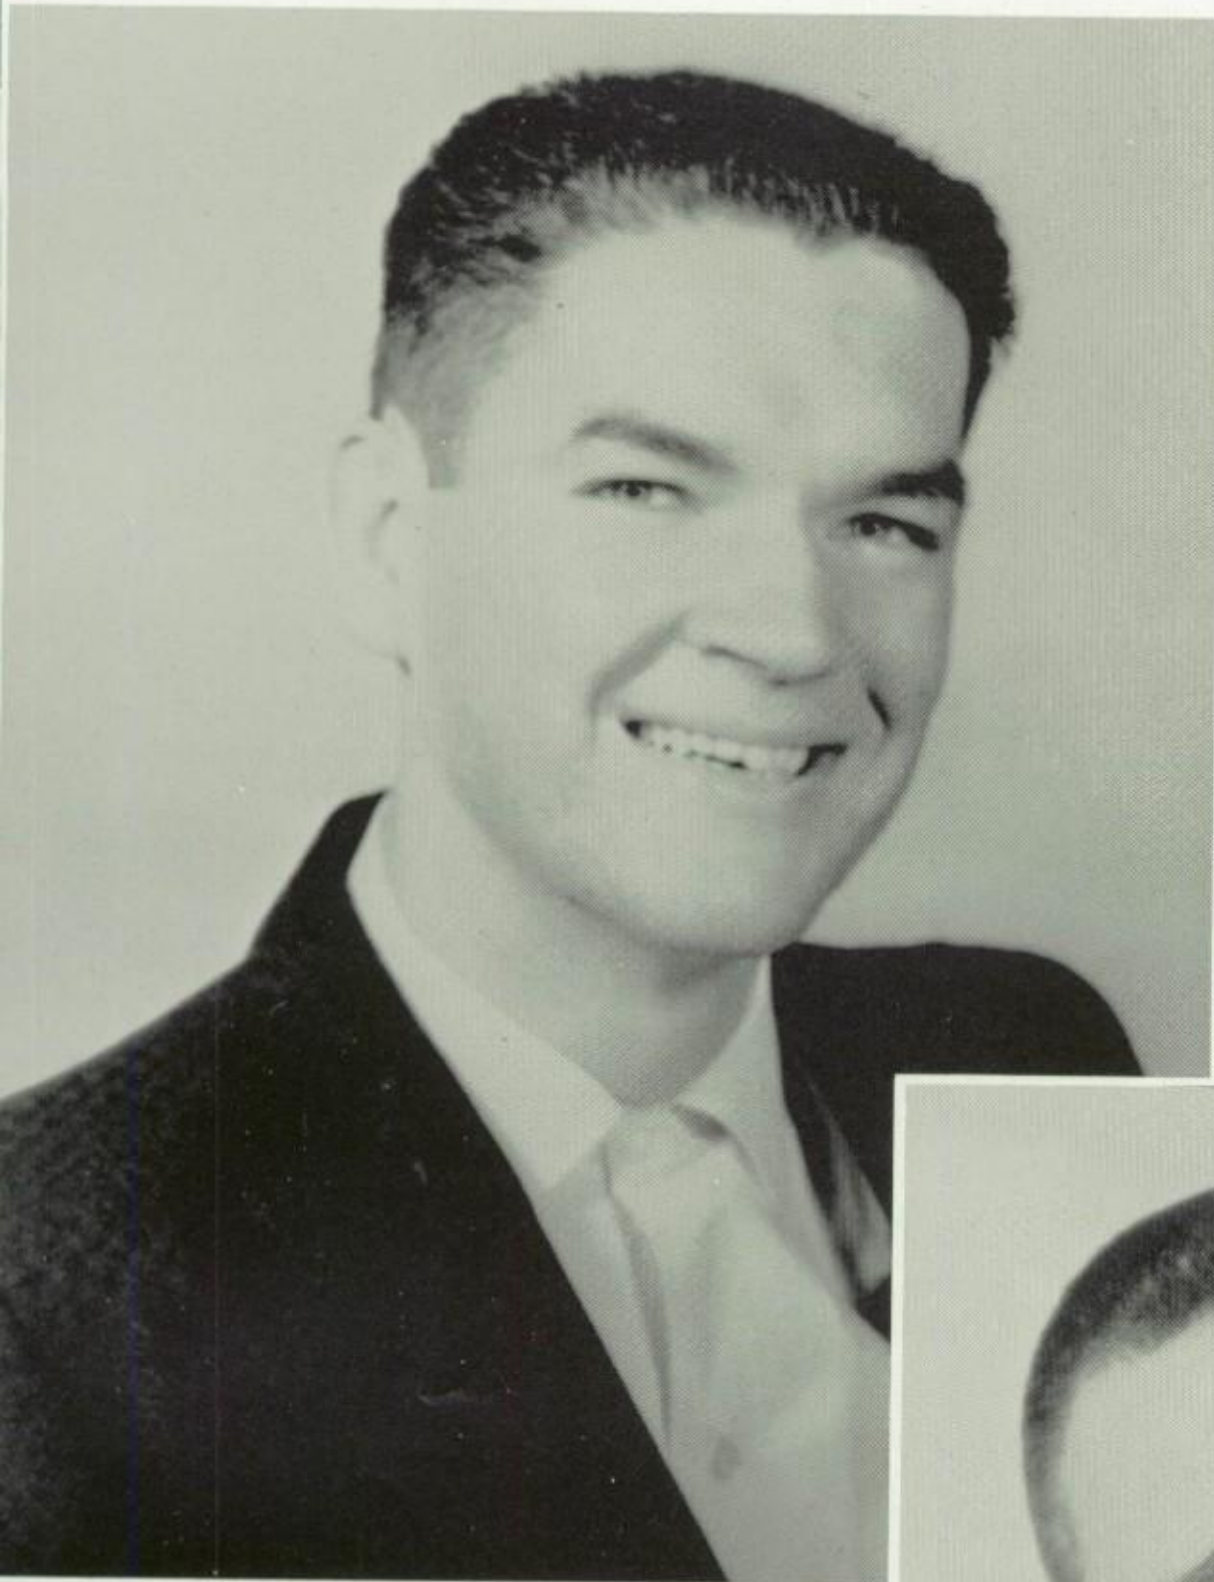

"Leggo, John, it's *my* turn!"

It may be Cathy Lillie's turn, but if she isn't careful, John Hommel may give her good reason for wanting the crutches! John and Cathy were chosen WITTIEST boy and girl of the Sophomore Class.

F. F. A. SWEETHEART
Miss Janice Baklik

Bobby Vinson

Not because of their home-making abilities, of course, but these boys were elected by the club members as the beaux for the F.H.A. Club.

CHOIR SWEETHEART
Linda Cason

CHOIR BEAU
John Free

Looks like these two got roped into being Mr. and Miss Texas. Miss Texas, Barbara Collingsworth, Mr. Texas, Mike Carter.

V. I. C. SWEETHEART
Deneice Yates

Speaking of "Guys and Dolls," these two fit the bill perfectly, as far as the journalism classes are concerned. They were elected Paper Doll, and Paper Maté, for the Eagle Call. Seated is Julia Elam. Standing is Don Hill.

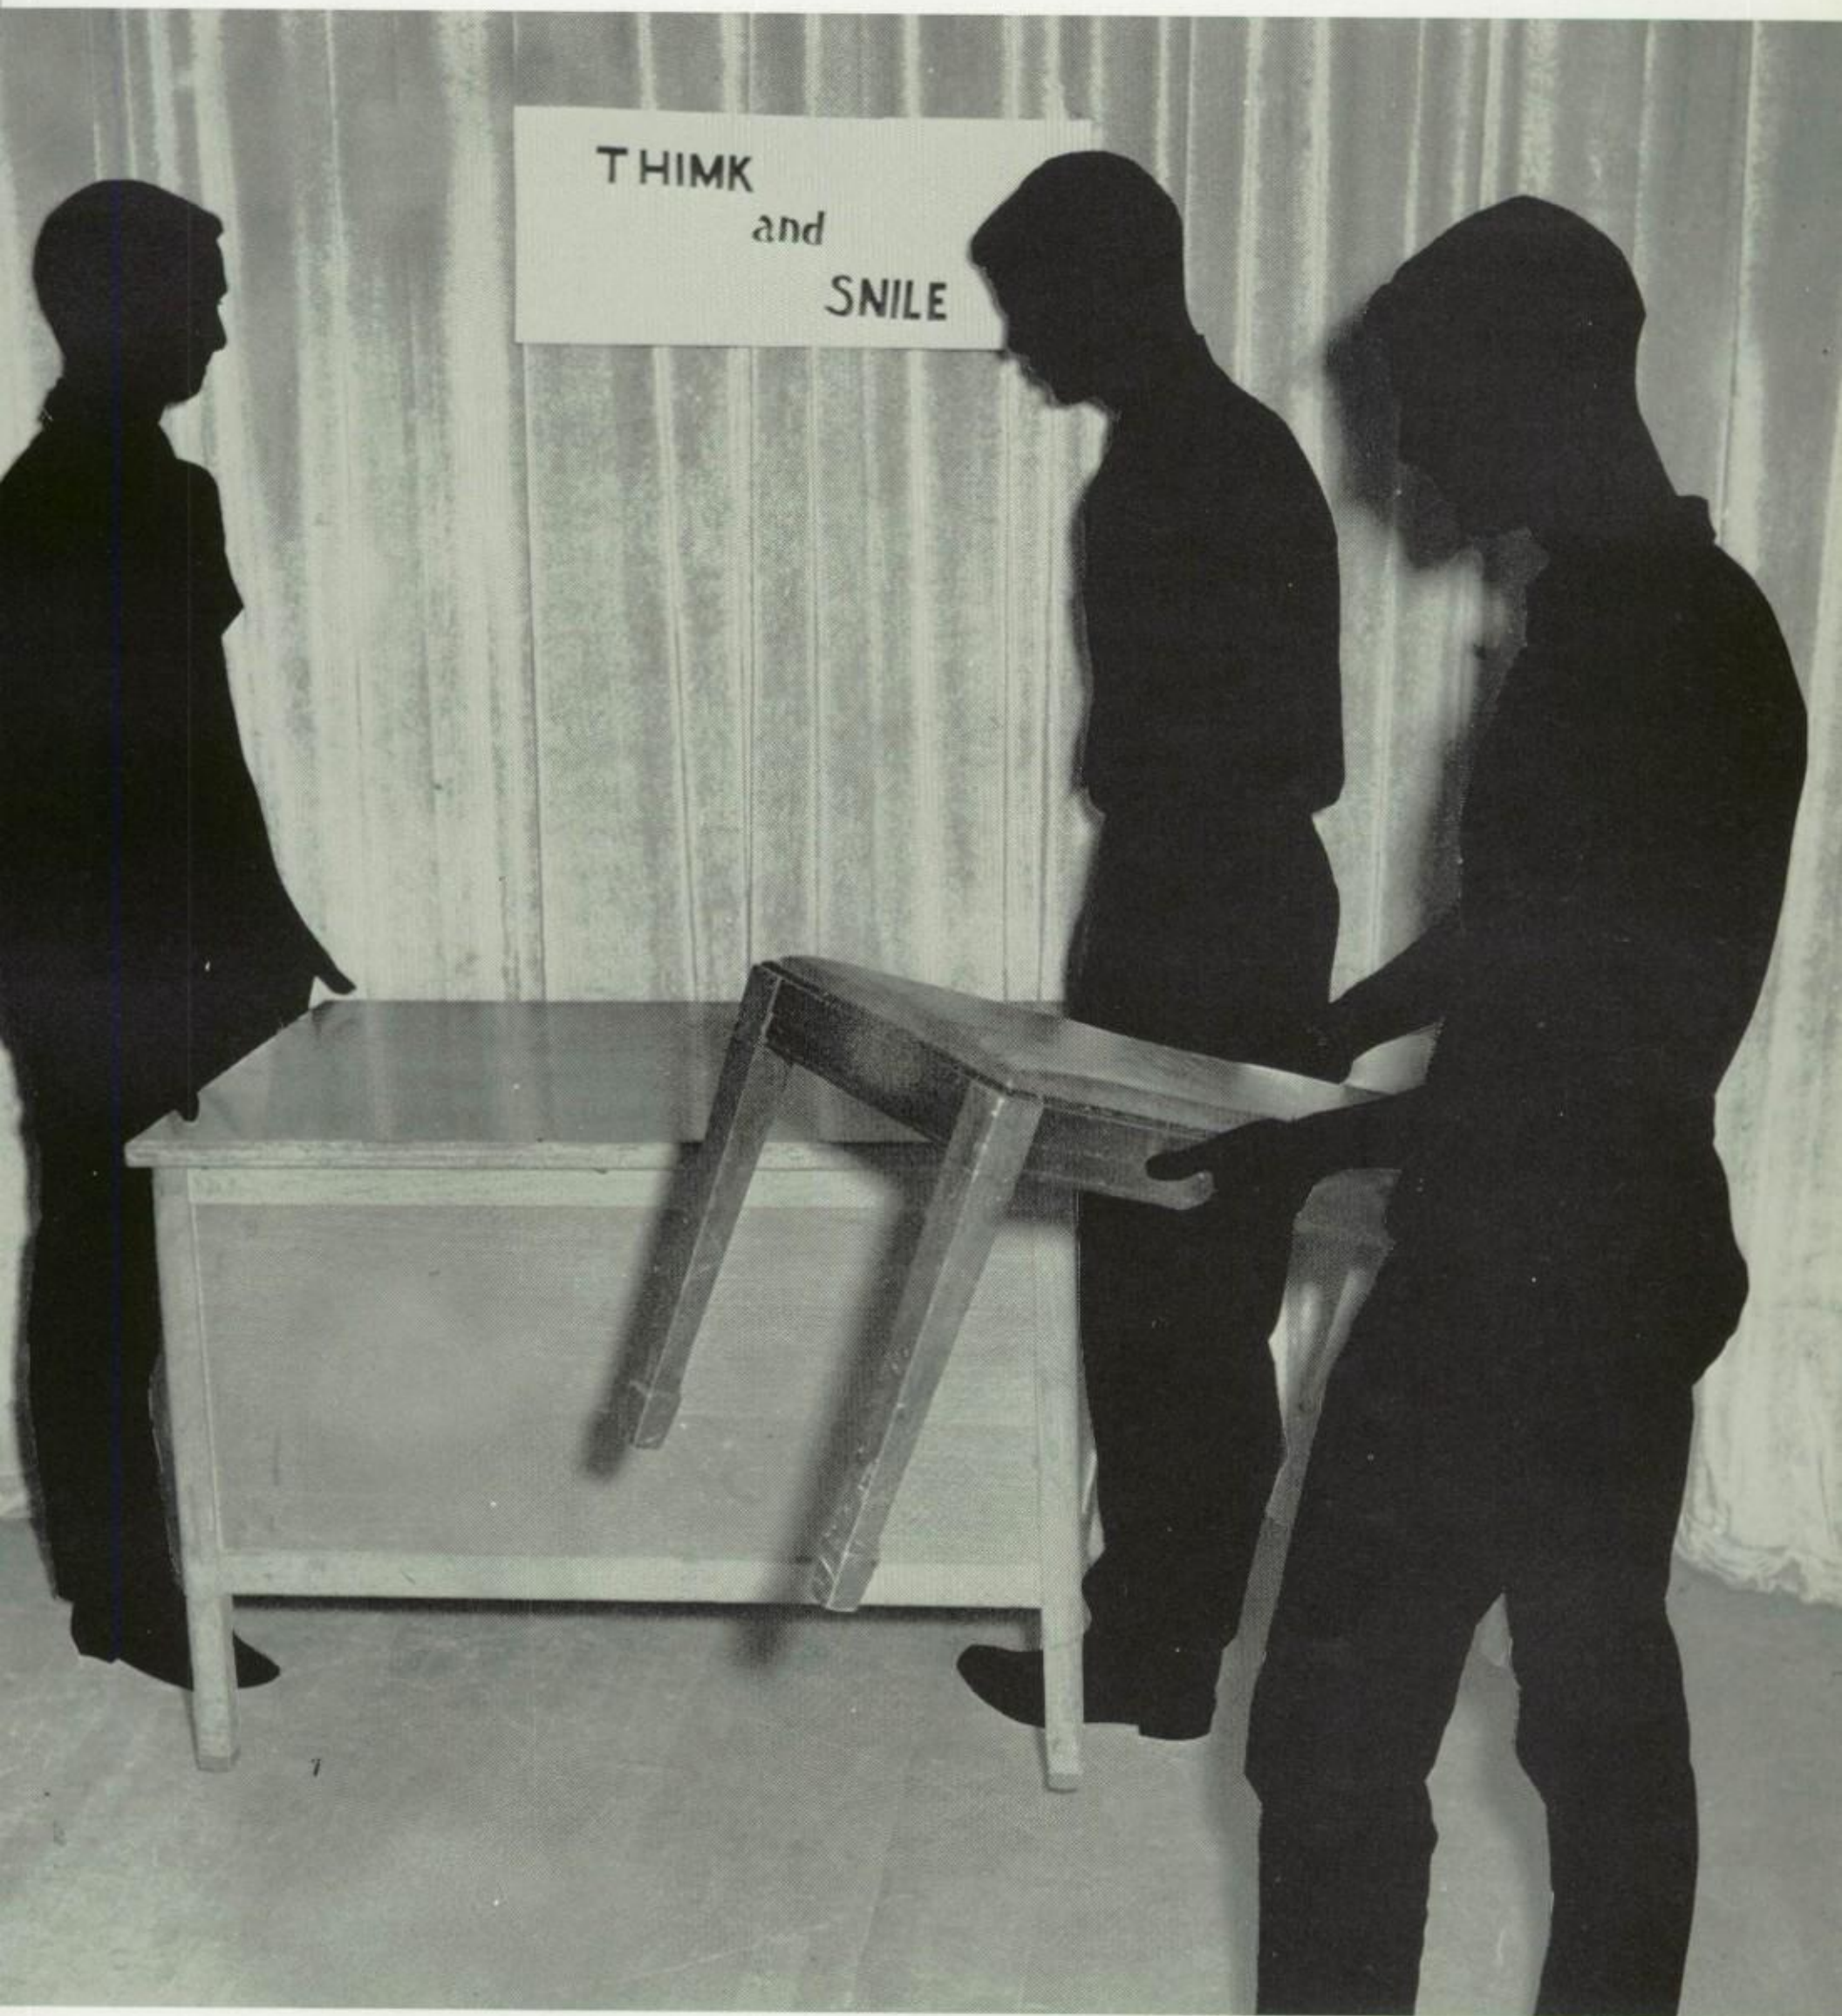

Ann Gennett, editor of the Eyrie, was also top annual Saleswoman for this year.

Winnie Shults, advertising manager for the Eyrie, sold the most advertising.

Sylvan Beach Prom
Theme: Moon River
Music by: Smiley Stage
Band

The curtain rises on
Smiley's Senior Prom
among gay laughter and
much pleasure.

Joe Dowda and Elora Eager are among those who take a turn on the dance floor.

Barbara takes over Ray's derby to pose for camera.

The wind did a little damage to all those billowy hair-do's.

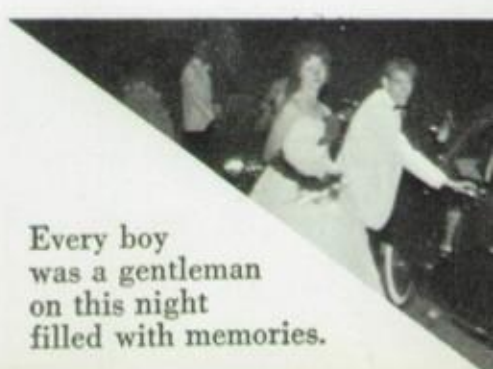

Soft music and dimmed lights provided a romantic glow that added to the night of enchantment.

The Smiley Stage Band provided the wonderful music for the prom.

Jimmy Wallace gets a final touch-up before making his appearance.

Every boy was a gentleman on this night filled with memories.

A number of couples took time out for a moonlit stroll.

Jimmy Walker's Edgewater Restaurant was one of the spots at which Seniors dined.

Ernie Reyes takes time out to clown for the camera.

Some of the couples appear to be too engrossed in eating to pay attention to the photographer.

Eat hearty, Seniors! You've got a big night ahead.

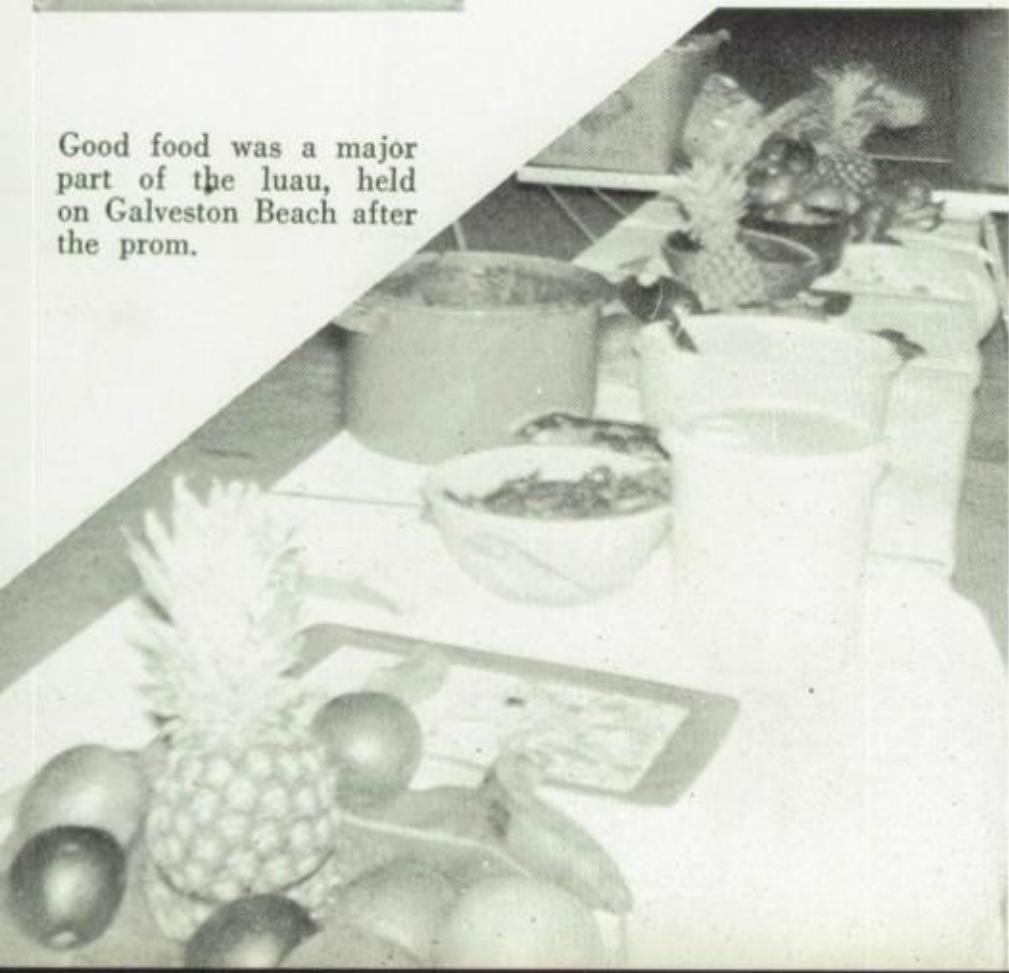

Whoops! Watch those hoops!

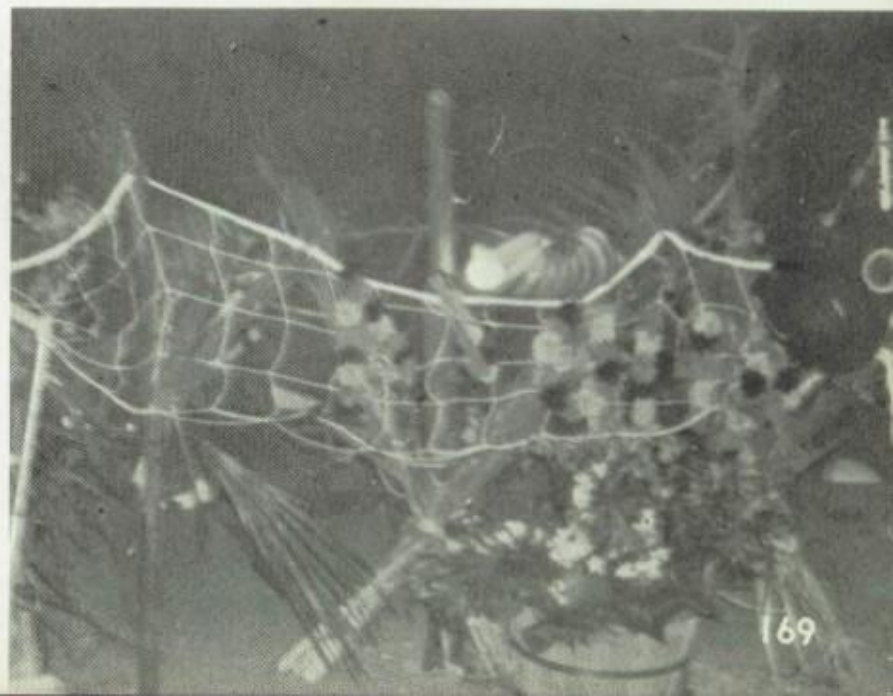

The couples leave for home after a night filled with activity.

Good food was a major part of the luau, held on Galveston Beach after the prom.

A fish net holding various Hawaiian decorations was a point of interest at the luau.

The program was a climax to the hard work shown by students throughout the year.

"ZZZZZ!" Well, we can't all be award-winners!

Mr. Cauthen, Principal, reads the names of those who won medals, as Mrs. Jackson, Counselor, presents the medals.

Diane Mullins and Robert Walker, top students in their field, won medals in Chemistry.

EAGLES FACE TOUGHES

The Smiley Eagles, during the 1962-63 football season, faced some of the toughest opponents in the history of the school's athletic program. Four of the competitors were ranked in the top ten in the State during the season, and one of them was rated number one in the State at the time we played them. This was Spring Branch, later defeated in the semi-finals. The others were Ray of Corpus Christi, Pasadena, and Galena Park. Several of the other opponents

had superior teams. South Houston and Ball High were well regarded, and Westbury did well in its league play. Aldine also rang up a number of defeats over major opponents during the year. Only Sam Houston, and Memorial High of Spring Branch could be termed as "inferior." The Eagles were beaten often but had the consolation of knowing that the defeats were inflicted by the best teams in Texas.

The Show Is Over . . .

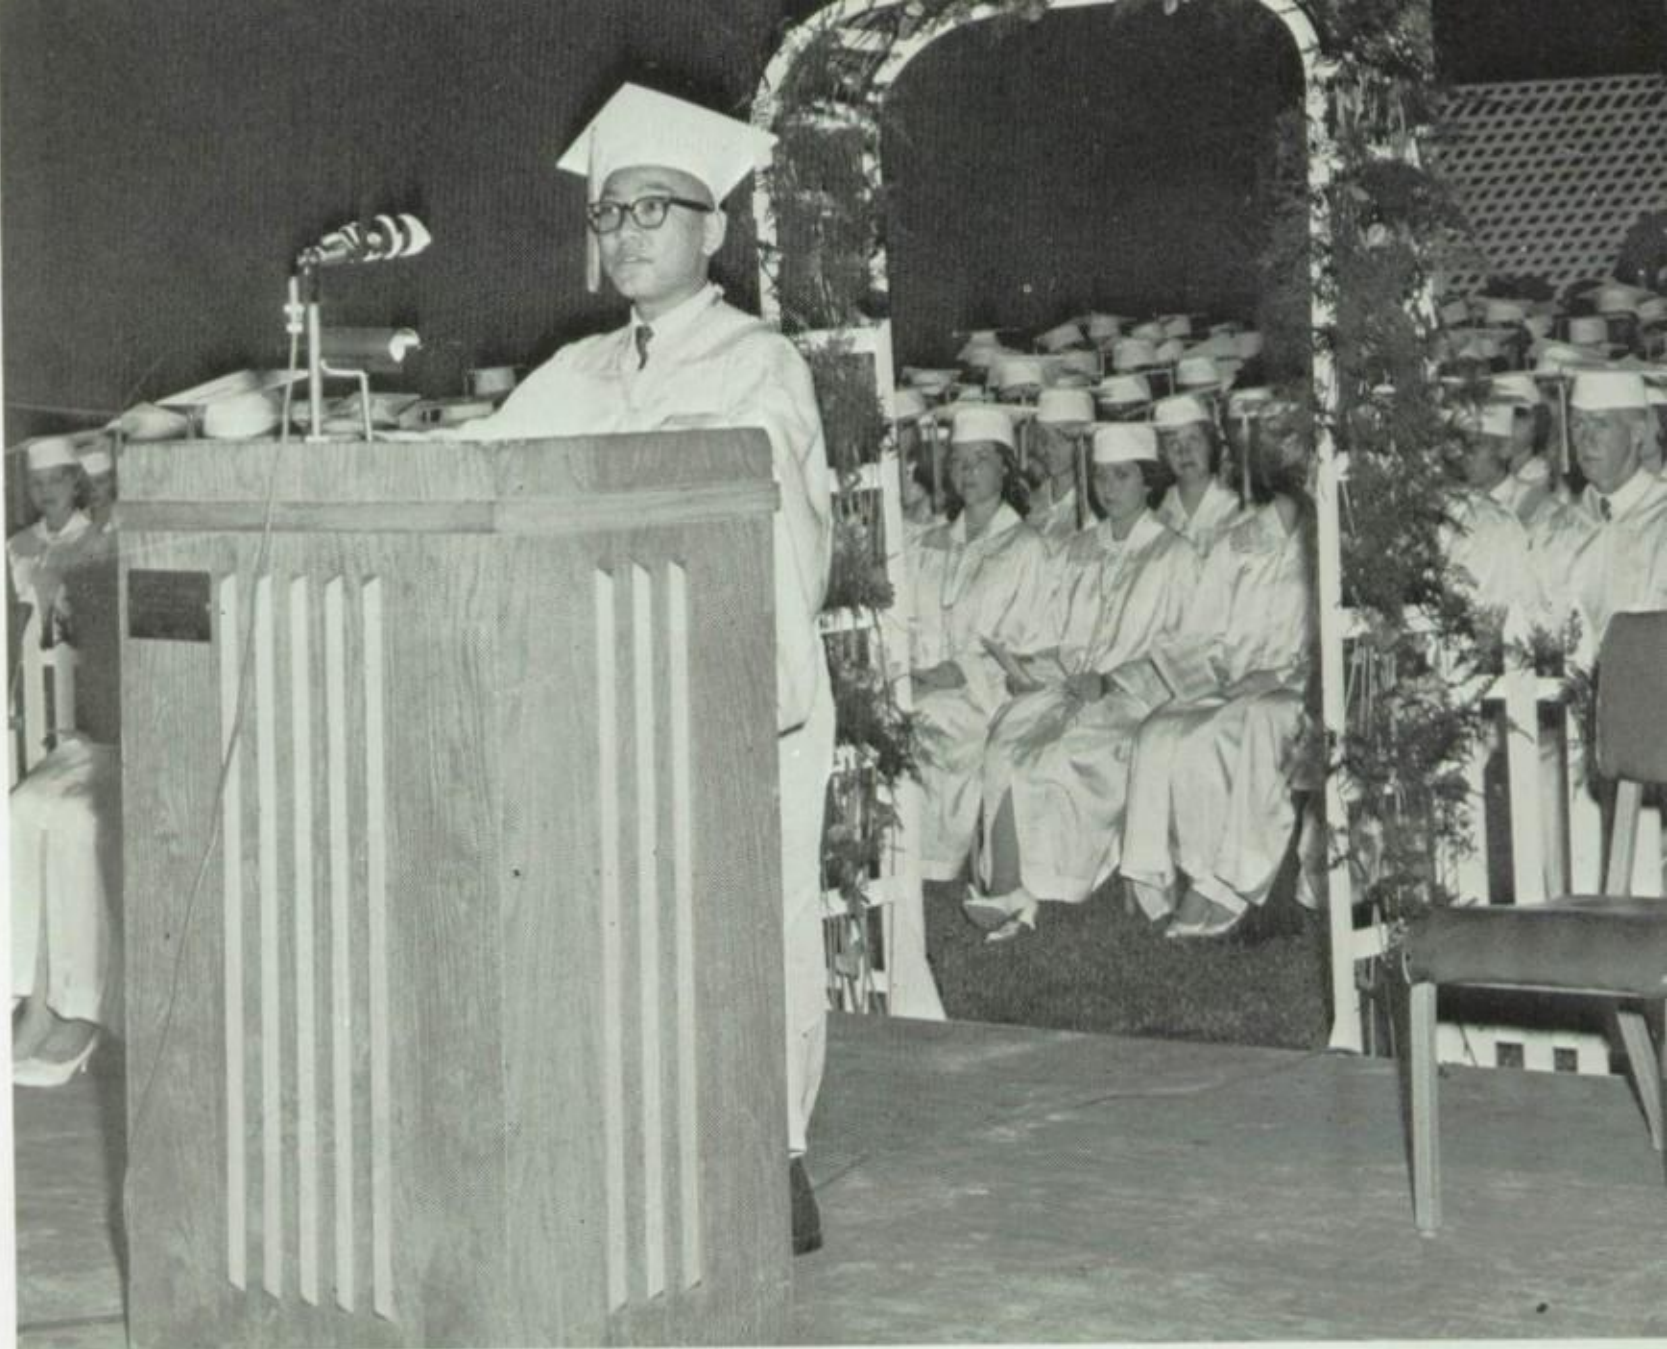

On a warm Spring night in May, 232 Smiley students gathered for the last time on the Jones-Cowart Field to be graduated. Hundreds of friends, relatives, and teachers made up the audience as the real stars of the show sat in cap and gown awaiting the big moment in their lives. There was happiness over completion of a job well done, mixed with a touch of sadness over giving up an accustomed way of life. But the grand moment had come, and before the night was over all the graduates emerged from the stadium for the last time as students, and made their way home as adults about to take part in that great "Venture in the Space Age."

Candidates Are Accepted.

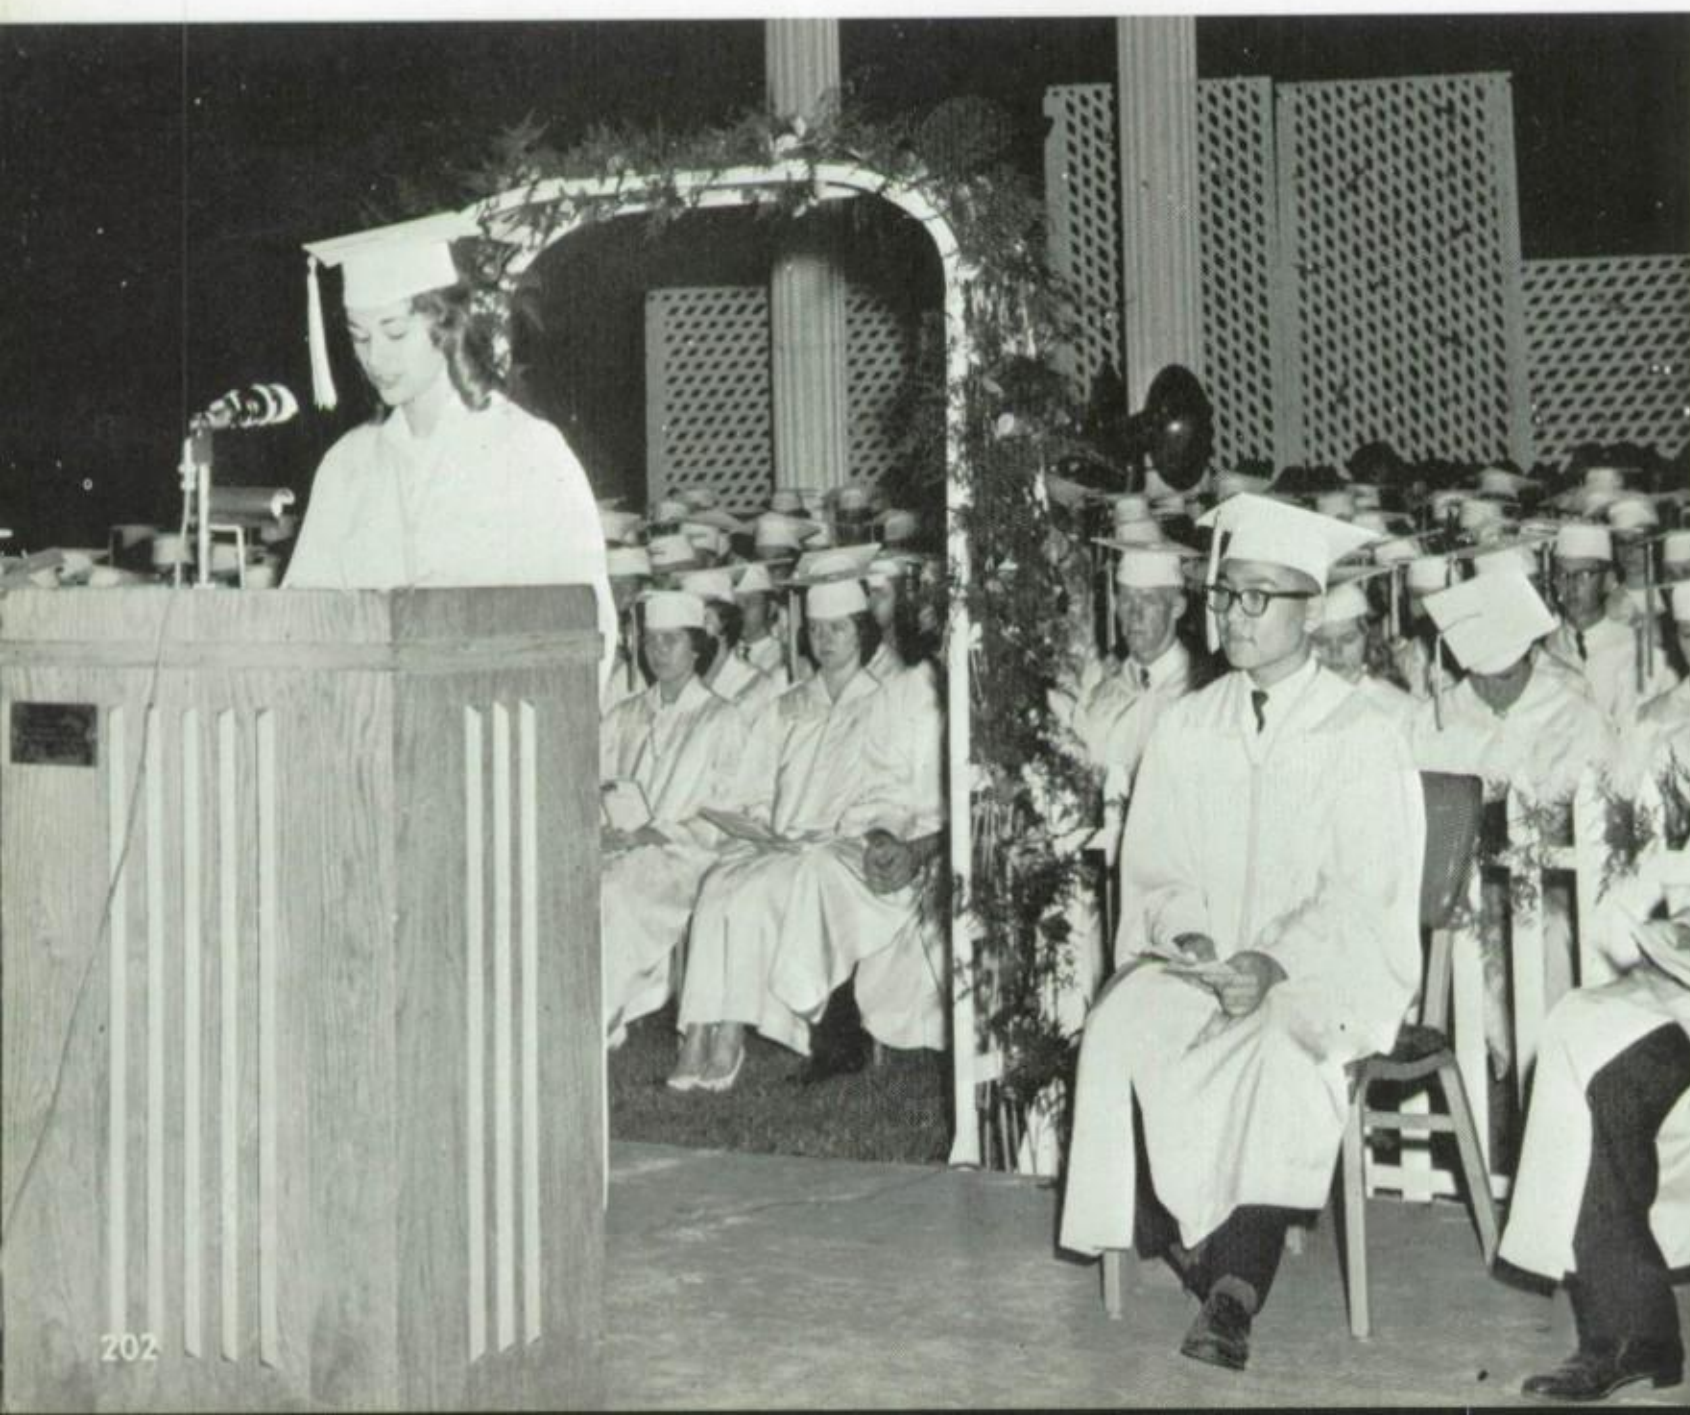

Students stood as Superintendent G. C. Scarborough delivered the formal speech accepting the 1962-63 senior class graduates. Pictured with Mr. Scarborough are, from the left, Roy L. McCullough, President of the Board of Education of the Northeast Houston Independent School District; Janice Baklik, one of the top ten students; Paul Cauthen, Smiley Principal; Russel Young, first ranking student in the Senior Class, and Robert Cason, Air Force Academy Appointee.

The Valedictory speech is delivered by Russell Young. Russell, who ended his high school career with an A average plans to attend the University of Texas.

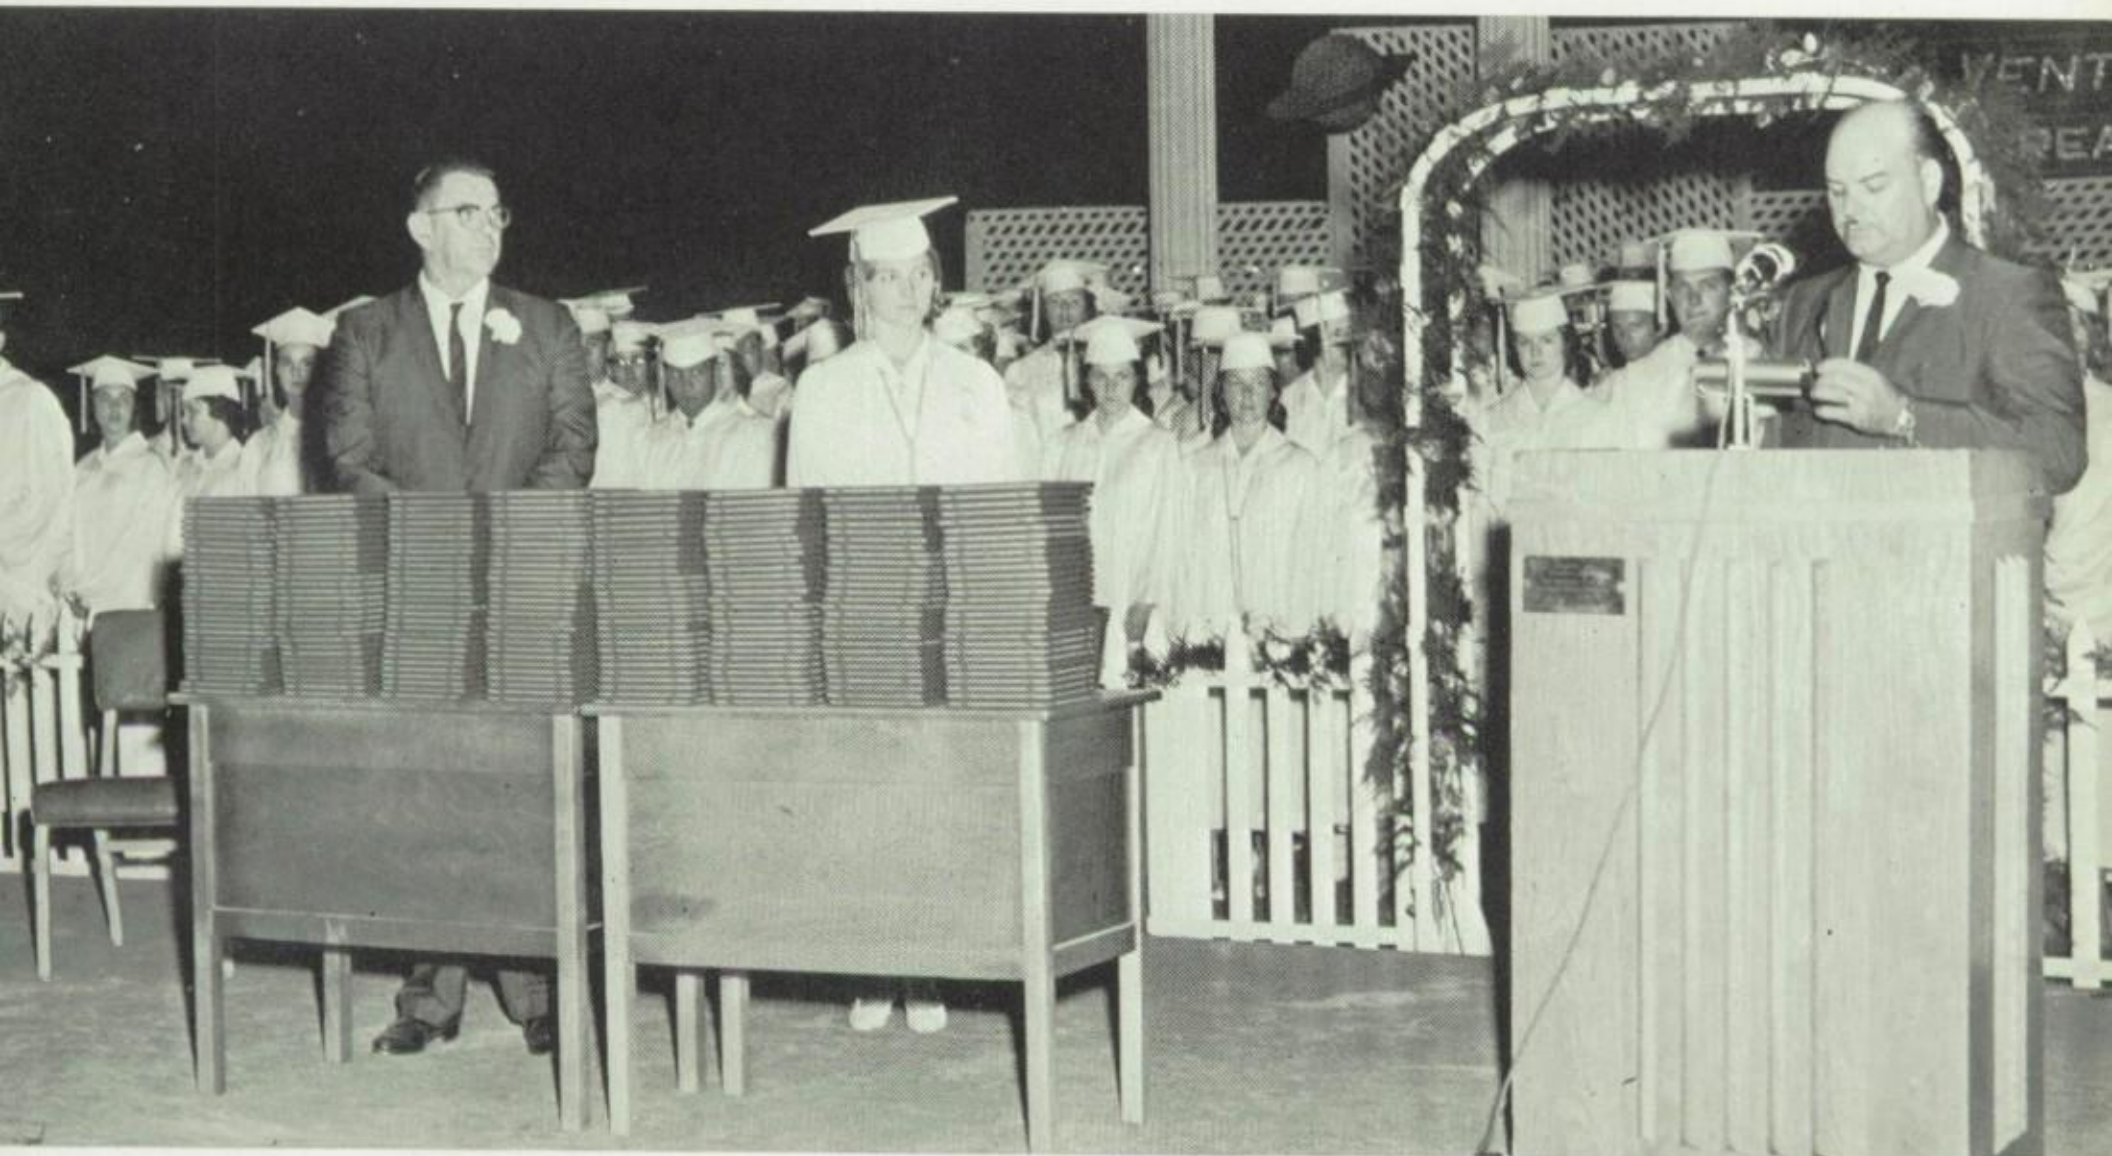

Farewell to Smiley

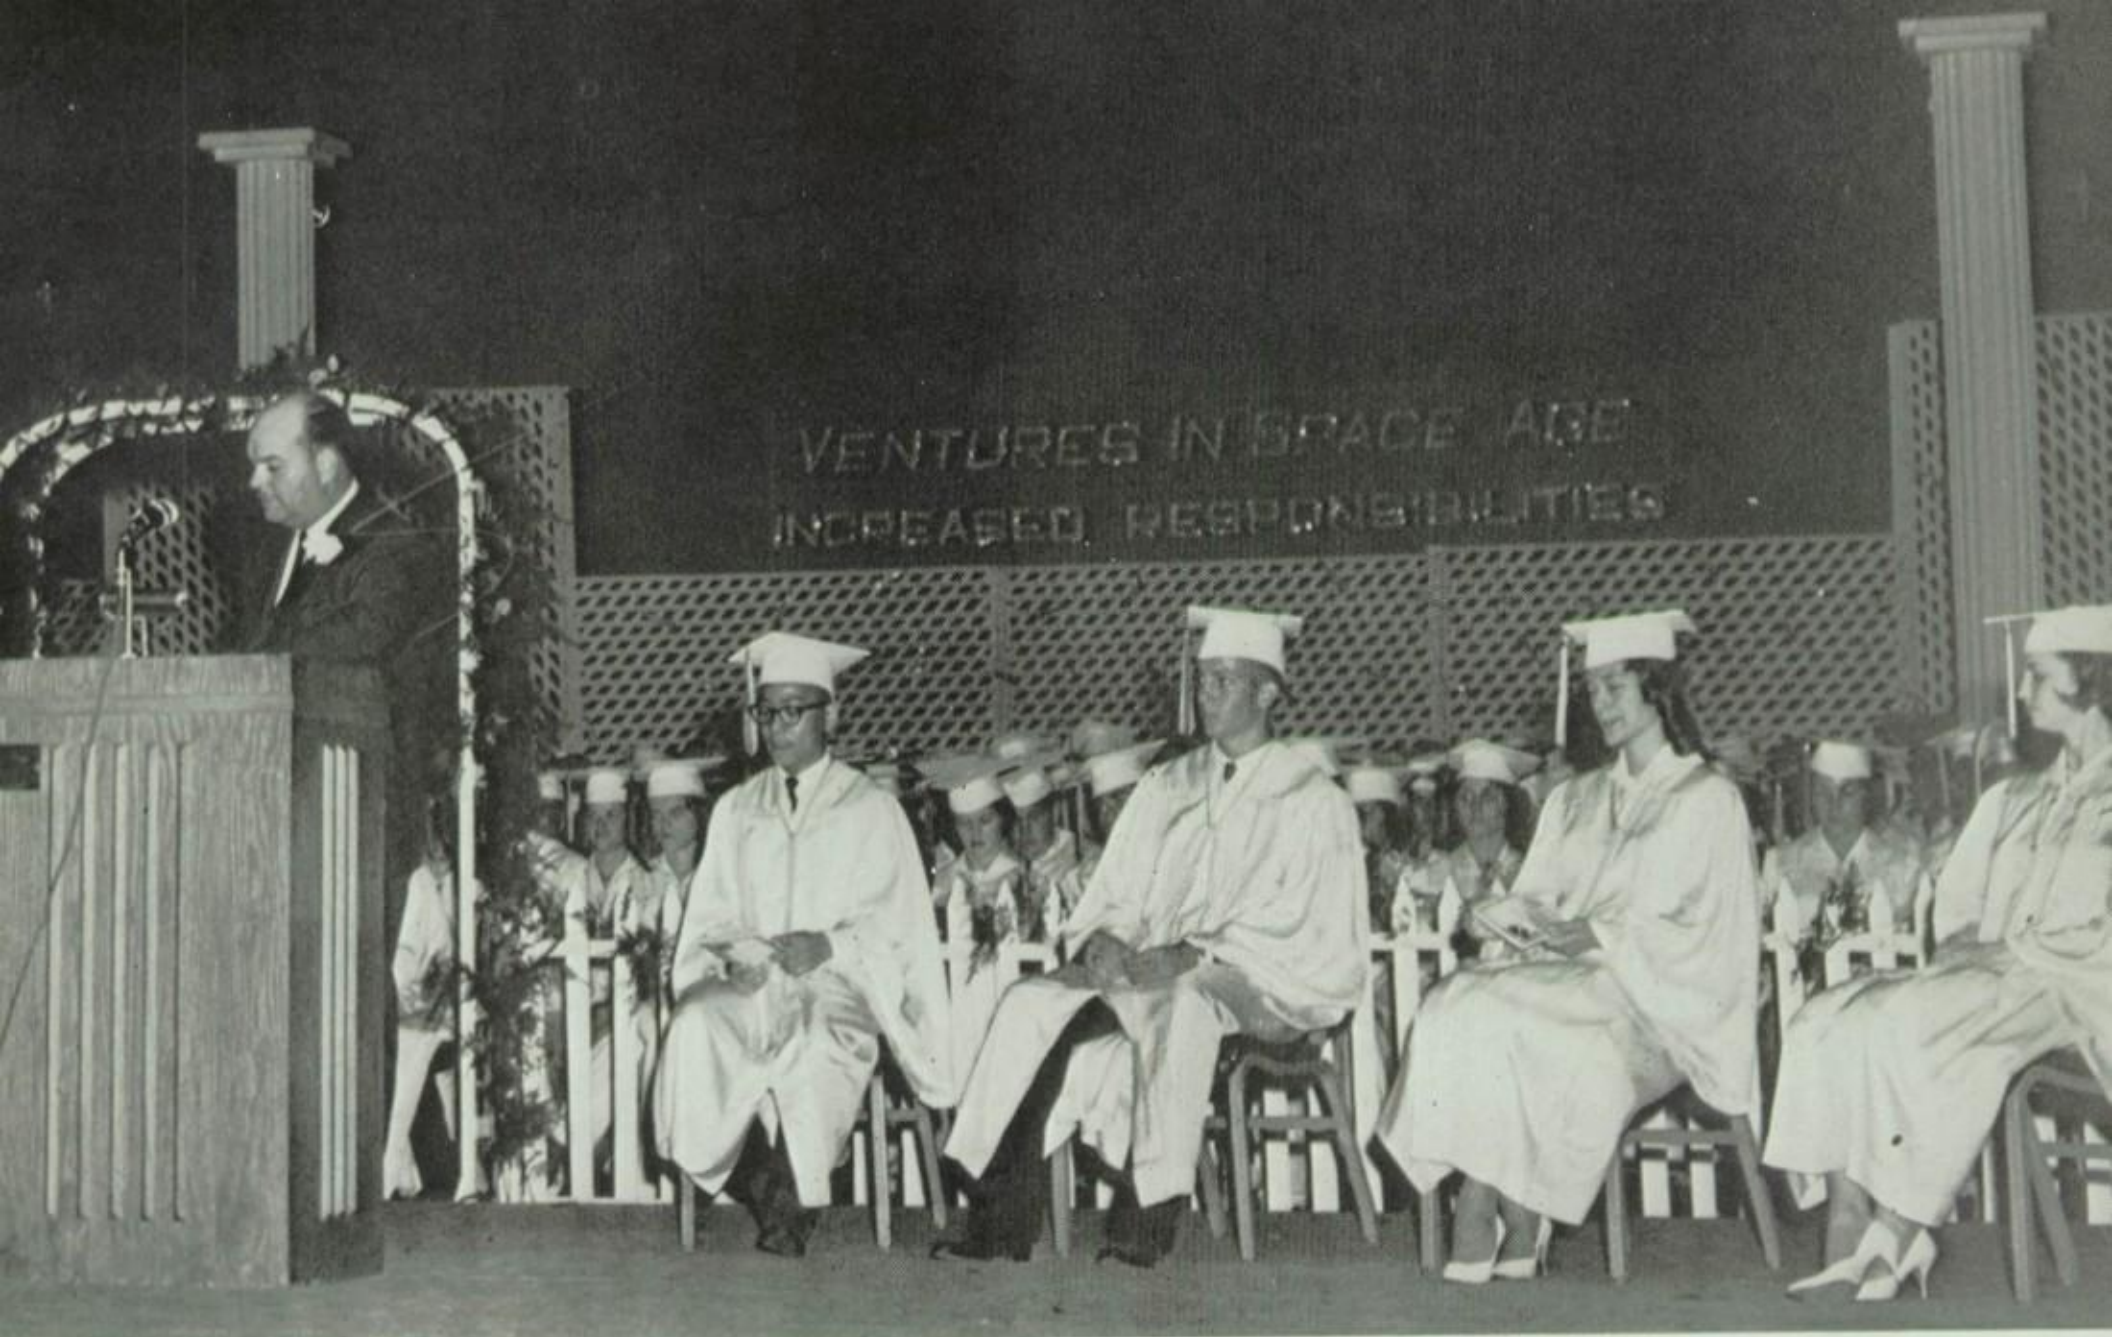

Ann Genett, Smiley's second ranked student, bids farewell to her friends at the school. Ann, who won many honors at Smiley, plans to attend the University of Houston. She will make use of a four-year Jesse Jones Scholarship.

Jesse Jones Scholarship

Winner Introduced

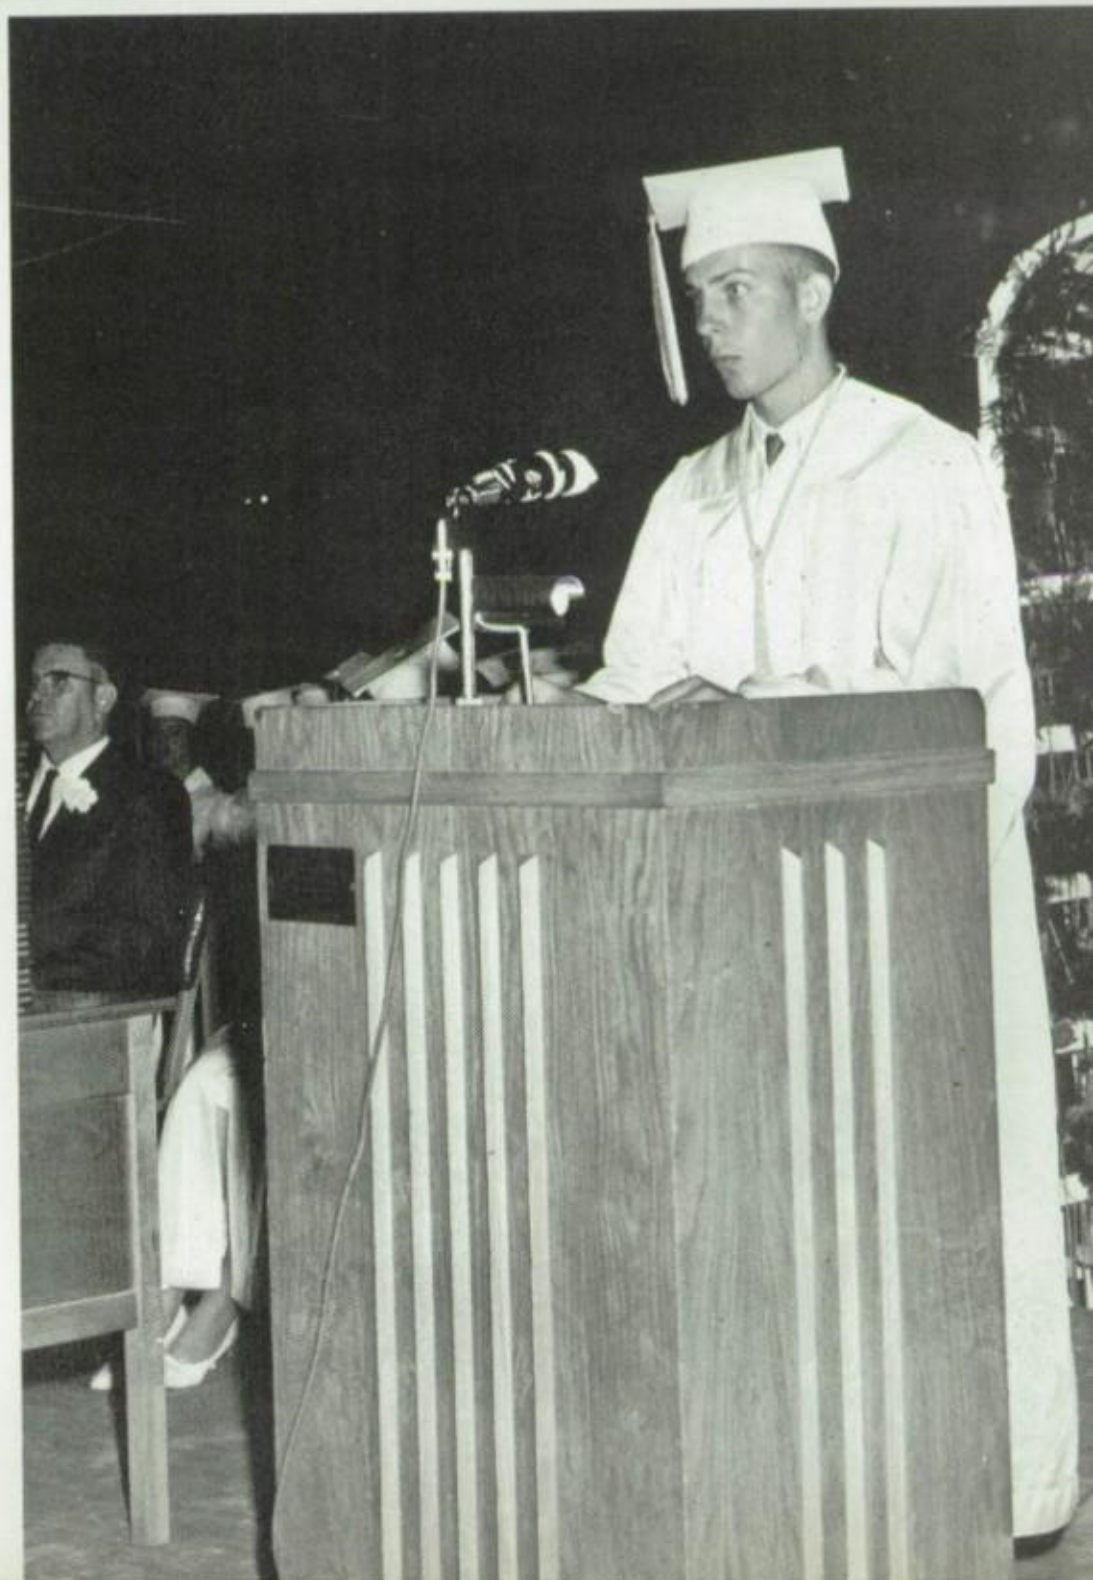

Janice Baklik, third ranking senior, is introduced by Principal Paul Cauthen, as School Board President Roy McCullough, looks on. Janice, pictured between Mr. Cauthen and Mr. McCullough, was the second Smiley student to win a four-year Jesse Jones Scholarship. She plans to attend the University of Houston. She graduated with a high A average for her four years of High School.

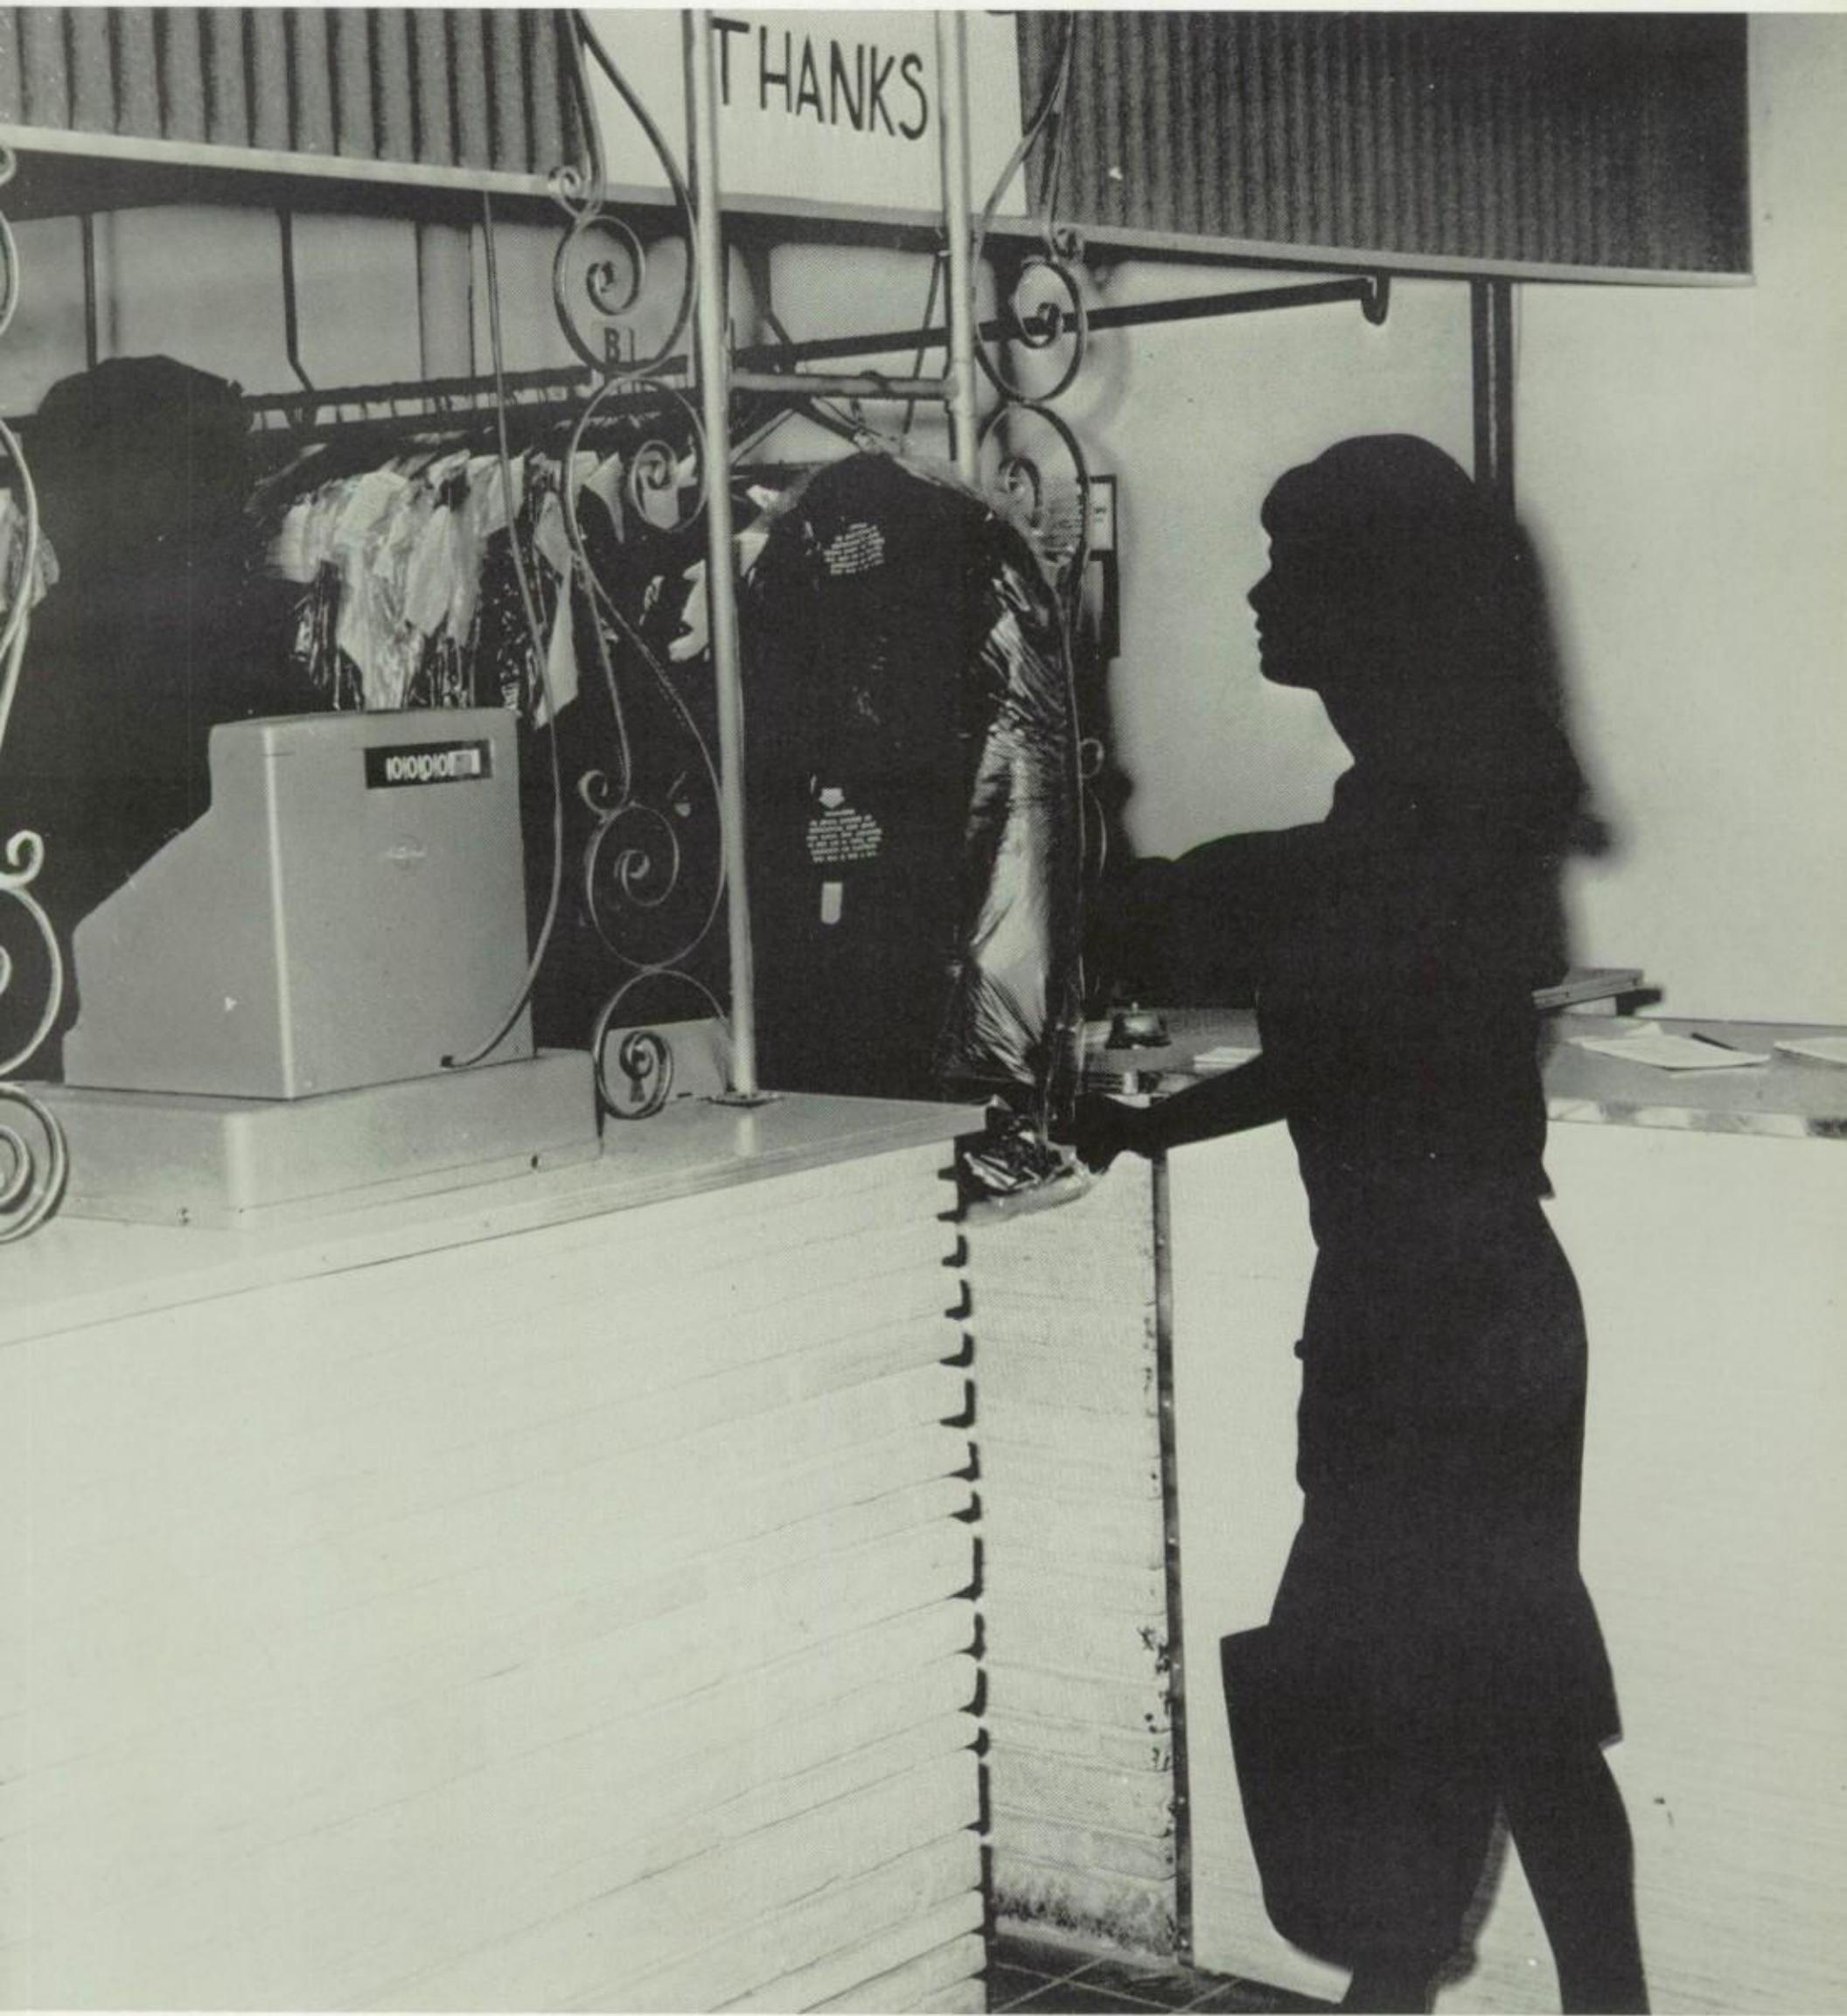

Mr. Paul Cauthen, in his final speech to Smiley Seniors, tells of the accomplishments of this year's Senior class, and outlines the future its members will face. Pictured with him are Russell Young, Robert Cason, Ann Genett, and Janice Baklik.

Theme of the graduation exercises was "Ventures in the Space Age." The obvious person to make a talk along this theme was Robert Cason who recently was appointed to the Air Force Academy in Colorado. Here he tells Seniors of the responsibilities they will have to face during this great age.
